Dear Parents and Carers,

In Monday morning assembly we heard the story of the 'widow's offering' from Mark's Gospel.

Although she gives very little (two pennies) it is all that she has. She trusted completely that God would provide for her. She is an example to us all.

In Monday's assembly (11th November) we also remembered all of those who died in wars, with two minutes silence. They gave everything they had (their lives) so that we could enjoy freedom today.

We remember their ultimate sacrifice and pray with renewed vigour for peace in our world.

I reminded the children that forgiveness is key to creating peace. 'There is no love without forgiveness and there is no forgiveness without love'.

This week I asked the children to try hard to forgive those that have wronged them.

Have a lovely weekend everybody.

Mr Doherty

Girls football pledge

Following our accreditation of a GOLD schools games mark for our commitment to sport and providing competitive opportunities for our pupils, St Catherine has been awarded with a trophy for our commitment to providing equal opportunities to girls in football over the past few years.

We have trained and entered girls football competitions, have taken part in mixed football tournaments and currently have the amazing Emmie playing regularly for our school team, in the borough small schools league.

In partnership with Barclays and Girls' Football School Partnerships we have made a pledge to continue to grow girls football and support the vision that every girl has equal access to football.

Znicze

Thank you to all of the children who have returned their paper candles for our remembrance display.

This year the theme is a Polish tradition called znicze.

People bring decorative votive candles (known in Polish as znicze) and flowers such as chrysanthemums (of all colours) to lay on the graves of their loved ones. By the end of the day, there are millions of candles glowing in cemeteries across the country that will shine for up to a week and are used to guide the souls of our departed loved ones. Thank you to Mrs Wassef for the idea and for making our beautiful display with Miss McCann.

If you still haven't returned your candle please do so as soon as possible. Teachers can give out spares if you have lost yours or would like more. We will continue to pray, in school, for your loved ones during November.

IN NOVEMBER WE REMEMBER

In Poland people bring decorative candles (known as znicze) and flowers to lay on the graves of their loved ones. By the end of the day, there are millions of candles glowing in cemeteries across the country that will shine for up to a week. The lights guide those that have died.

As the Church year nears its end, we remember those who have died during November.

Packham Tournament

Well done to the school football team, who reached the quarter finals of the Packham Tournament last Saturday. This is a competition where the small schools are mixed with the larger schools in the Borough so the competition is stiff.

Having topped our group with 5 points and without conceding a goal we came up against last years winners (Oak Farm). A close match (in which Riley struck the opposition goal frame twice) was decided by a free kick for Oak Farm on the edge of our box which was blasted home.

Mr Casse and I were so proud of the boys. You were amazing once again and on another day could easily have progressed further. Unlucky!

St Catherine 31 v Cowley St Laurence 0

This week we faced Cowley Saint Laurence at home. As always, the girls got off to a quick start scoring 10 goals in the first quarter courtesy of Amira-Kate and Karolina.

The girls continued to fire home in the second and third quarter scoring 13 more goals! Victoria shone with some of the best shooting I have seen all season.

The final quarter saw 8 more goals and the game concluded 31-0.

The girls have trained extremely hard for these games and it is showing, with their defence skills with Saint Catherine yet to concede in three games!

Let's keep it up!!

Football news

St Catherine 0 v Cowley St Laurence 1

Well done to the school football team who may have lost on Wednesday but made Mr Casse and I so very proud. Up against a mighty Cowley team we gave them a real battle with both teams having chances and Riley even hitting the cross bar.

Unfortunately we conceded a late own goal and didn't have time to respond.

Player of the match was Theo for a ruthless performance in defence.

Next week we play Heathrow away. Good luck team.

ART CLUB

This week, the children had a fantastic time designing their own door signs. The activity involved precise colouring and cutting, allowing them to showcase their creativity and attention to detail. Once the signs were complete, the children used a laminator to make their designs last longer, which fascinated and excited them. They were all extremely engaged in the process, demonstrating excellent care and focus throughout the activity. Their enthusiasm and dedication were truly impressive, and they should all be praised for their hard work and creativity. Mrs Kowalska

WOW Walk to school challenge

We are excited to take part in this year's **WOW walk to school challenge** which is an initiative from Living Streets, the UK charity for everyday walking, to help as many children as possible experience the benefits of walking to school.

What are the benefits of walking to school?

- Children feel happier and healthier.
- They arrive to school refreshed and ready to learn.
- Helps reduce congestion and pollution at the school gates.

Your children will self-report how they get to school every day. If they travel actively (walk/wheel, cycle, scoot or park and stride) **at least once a week for a month**, they will be rewarded with a badge.

Park and Stride – If driving, park and stride can help your child earn their WOW badges. **Park at least 10 minutes away from the school and walk the remaining journey.** If using public transport, hop off at least 10 minutes away and walk. Use the map below to see suggestions for areas to park and stride. Parking in the blue zone, where permitted, and walking the rest of the way will count as park and stride.

Your children have been introduced to the initiative today and are excited to get going! There are 11 badges to be earned from September 2024 – July 2025. Each badge has been designed by a pupil from across the UK as part of the annual WOW Badge Design Competition. WOW 2024/25 encourages pupils to Walk with Imagination, with a selection of badges ranging from a Bird's Eye View to Road Surfing up for grabs. The badges are made in Cornwall from material that was otherwise destined for landfill, including fridge trays, plastic plates and yoghurt pot off-cuts.

To launch this, next week we will hold a **walk to school week** where you can earn your first badge by walking to school at least once. From the following week you will need to **walk at least once a week during each month**.

Find out more about the challenge here: <https://youtu.be/op0zWJw1Hs0>

We look forward to hearing all about your travels. Happy Walking.

Can't walk the whole way?
Try to park in the blue zone where permitted and walk the rest of the trip.

If you need to drive - don't idle!
It's a waste of money and pollutes the air that we breathe!

Did you know?
Pollution levels are higher inside the car than outside.

skip your ride, take a stride

EXPLANATION OF TRAVEL MODES ON THE WOW TRAVEL TRACKER

Cycle: Select this icon if you have cycled all the way to school. 'Cycle' counts as an active journey and contributes towards earning a badge.

Other: This icon counts as an active travel trip and will contribute towards earning a badge. Choose this for any active journey that does not fit into the other categories.

Walk/Wheel: Select this icon if you have walked or wheeled all the way to school. We support disabled pupils and those with special educational needs to enjoy walking. This icon includes pupils walking with the use of mobility aids, including wheelchairs or wheeled walkers. 'Walk/ Wheel' counts as an active journey and contributes towards earning a badge.

Park and Stride: Park and Stride is a great way for pupils who live too far away from school to still earn a badge. Simply park the car at least 10 minutes away from school and complete the journey by foot, wheelchair, bike or scooter (any active mode of travel used to complete the journey counts!). 'Park and Stride' counts as an active journey and contributes towards earning a badge.

Bus: Select this icon if you took the bus (including school bus) or used public transport to get to school. 'Bus' does not count as an active journey, so it will not contribute towards earning a badge. If you choose to use public transport but still want to earn a badge, you can hop off at least 10 minutes from school and walk the rest of the way. If you choose to do so, instead of 'Bus' select 'Other'.

Scooter/Skate: Select this icon if you came all the way to school by scooter, skateboard, etc. 'Scooter/Skate' counts as an active journey and contributes towards earning a badge.

Driven: Select this icon if you drove all the way to school. 'Driven' does not count as an active journey so it will not contribute towards earning a badge.

Absent: Select this icon for any pupils who are absent (for every day of their absence). It is important absences are recorded correctly to give pupils a fair chance to earn a badge.

Delete: If you accidentally select the wrong travel mode, use the delete icon to clear it and start again.

Taxi: Select this icon if you travel by taxi the whole way to school. 'Taxi' does not count as an active journey so it will not contribute towards earning a badge.
