Coats

Can we please remind you that the coats should be plain black, navy or grey. We have seen a few bright coloured and patterned coats this week so we would appreciate parents arranging alternatives as soon as possible.

School photos

On Thursday next week the photographer will be in to take individual class photographs.

Unfortunately, we will be unable to arrange family photos as this could lead to too many children from different bubbles mixing.

NHS letter

Attached to today's email is a letter from the NHS regarding test and trace.

Zones of Regulation

Following our letter about the introduction of this initiative in school, a few parents have requested resources that they can display at home. We have created two A4 pages for parents which can be downloaded and printed off the school website here:

www.stcatherineprimary.co.uk
Or alternatively copies are available from the front office if you do not have access to a printer.

Remote / home learning

We are currently in the process of training to use Google Classrooms in the event of a class or the school having to close again. In order to access learning materials in the event of a closure children will need access to a computer, laptop or tablet. If your child would not have access to one of these devices please email and let the office know asap so we can ensure alternative provision can be planned for.
